**TIM HUGHES MEMORIAL SCHOLARSHIP APPLICATION**  
**FAIRVIEW HIGH SCHOOL GRADUATING SENIOR**

Dear Applicant:

For many years, the Fairview Park Youth Association has been awarding post-secondary education scholarships to deserving Fairview High School graduating seniors.

In 2001, the city and schools of Fairview Park lost a very special person in Tim Hughes. In recognition of Tim's efforts at finding the hidden potential of the youngsters in our community and developing them into high quality young men and women, the Fairview Park Youth Association is honored to present the Tim Hughes Memorial Scholarship.

Please take the time to thoughtfully consider and accurately complete the attached Tim Hughes Memorial Scholarship application.

Please review the following instructions:

1. We strongly recommend that the application be typewritten.
2. You are required to complete a short essay that you must attach to your completed application.
3. Please return the completed application and essay to the Fairview High School Guidance Office by *April 19th*.

**About Tim Hughes:**

We lost Tim Hughes way too early. Not enough of the children in this community were fortunate enough to be coached by Tim. The man exemplified this paraphrased statement of President Kennedy, "Ask not what your community can do for you but what you can do for your community?" Tim was always involved from his role as a church usher to his beloved coaching duties in the Fairview Park sports programs. He was always there and always ready to do something positive. He believed that all the youth in his community should be participating in some extra-curricular activities; whether sports, music, clubs, or volunteer work. Anything that would help them find themselves and build that self confidence that they would need later in life. He was a very fair and caring man. As a coach, he always made his players believe in themselves. He worked them hard, but was always fair. There have never been more endearing comments about any coach coming from the mouths of his players than for Tim Hughes. It was Tim's dream to provide for his extended family, the boys and girls of Fairview Park, the BEST of everything. What Tim did not realize was that he already had, because Tim was the BEST.
